

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

**Re: In re Parole of Kent Matthew Howard**

**Docket No. 306804**

**L.C. No. 10-029121-AP**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The motion for reconsideration is DENIED. Contrary to appellant's argument, MCL 600.5531(a) only provides a definition of a "civil action concerning prison conditions" for purposes of the Revised Judicature Act. That MCL 600.5531(a) excludes a parole appeal from its definition of a civil action *concerning prison conditions* does not mean that a parole appeal is not a civil appeal, but only that it should not be deemed a civil appeal concerning prison conditions.

The Clerk's Office is directed to accept the \$76 check provided by appellant in payment of the initial partial filing fee and appellant's refiling of the returned pleadings as fulfilling the requirements of this Court's November 23, 2011 order.
